Y.S.M PRODUCTS

Established in 2018, Y.S.M PRODUCTS is designing and manufacturing innovative and functional LED lighting in **YASHIO, JAPAN**. By combining their expertise of innovative sheet metal work with high-quality lighting technology, Y.S.M PRODUCTS specializes in crafting luxury lighting fixtures tailored for commercial and residential.

The team works with various lighting designers throughout Japan to perform everything including ideation, production, and assembly. Y.S.M PRODUCTS takes pride in having the finest illumination technology, and the teamwork to make this possible.

Y.S.M PRODUCTS has showcased their stunning collections globally, earning numerous prestigious design awards, including two Design Awards, the Design Intelligence Award in 2018, and the DFA Award 2018. Y.S.M PRODUCTS collection is displayed at prestigious places such as the Fondation Louis Vuitton (Louis Vuitton Museum, Paris).
